## Distinguishing features:

**Copeland® CoreSense Diagnostics**

Constantly monitoring the performance of your **Amana** brand air conditioner, this advanced diagnostics system provides insight for accurate troubleshooting and quick diagnosis and repairs. Using the compressor as a sensor, CoreSense Diagnostics delivers active protection and will proactively shut the system down should it detect conditions that could damage the compressor. As a result, catastrophic failures and extensive, costly repairs are often avoided.

**Quiet Performance**

You can be assured that your **Amana** brand air conditioner will provide you with quiet operation. To minimize operating sounds, we've acoustically engineered our systems with enhancements such as a specially designed sound-control top.

**Energy Efficiency**

Energy efficiency equates to cost savings. Your **Amana** brand ASX14 Air Conditioner offers up to 15 SEER energy-efficiency performance. "SEER" stands for Seasonal Energy Efficiency Ratio, a measure used by the U.S. Department of Energy to rate the cooling efficiency of air conditioners and heat pumps. The higher the SEER, the greater the efficiency—and the lower the operating cost. Compared to lower SEER units found in many homes, **Amana** brand ASX14 Air Conditioner provides significant savings on your electric bill.

## How the **Amana**® brand makes your decision easier

The purchase of an indoor comfort system is not one to be taken lightly. However, it's one you can make with an air of confidence when you consider all that distinguishes the venerable **Amana** brand.

### Comforting craftsmanship

Innovative engineering, world-class manufacturing processes and the relentless drive to ensure each unit lives up to our uncompromising standards — these attributes define the **Amana** brand and result in the premium performance homeowners have come to expect from an American legend. Assembled in facilities in Texas, **Amana** brand products are built to Last and Last and Last.

### Confidence-inspiring compressor

With **Amana** brand air conditioners, your comfort and savings start with a high-efficiency compressor designed to provide years of reliable cooling comfort. The compressor is complemented by our durable, high-efficiency condensing coil, which is made with corrugated aluminum fins and refrigeration-grade copper tubing.

### The security of the **Amana** brand's amazing limited warranty\*

To truly seal the deal, an **Amana** brand ASX14 Air Conditioner is backed by industry-leading limited warranties\*. The longevity of premium **Amana** brand products combined with this excellent warranty\* coverage offers you a level of purchase protection that's the stuff of legend.

## LIMITED WARRANTY\* PROTECTION

\* Complete warranty details available from your local dealer or at [www.amana-hac.com](http://www.amana-hac.com). To receive the 10-Year Parts Limited Warranty, online registration must be completed within 60 days of installation. Online registration is not required in California or Quebec.

## The **Amana**® brand ASX14 Energy-Efficient Air Conditioner advantages:

- ✓ **High-Efficiency Compressor** – Designed to provide years of reliable cooling comfort, it provides up to 15 SEER cooling performance for lower energy bills compared to lower SEER units.
- ✓ **Single-Speed Condenser Fan Motor** – With advanced fan design, it provides dependable, quiet airflow across the condensing coil.
- ✓ **Copeland® ComfortAlert™ Diagnostics** – Advanced diagnostics constantly monitor your air conditioner system, reducing failures and pinpointing trouble spots for a fast fix.
- ✓ **Efficient Cooling Capacity** – Five millimeter, refrigeration-grade premium copper tubing and aluminum fin condenser coil configuration deliver outstanding heat transfer properties with R-410A refrigerant.
- ✓ **Factory-Installed Inline Filter Drier** – Protects the refrigerant system from dirt and moisture for longer service life compared to a unit without a filter drier.
- ✓ **Quiet Operation** – Acoustically engineered, high-density sound control blanket helps to reduce noise levels compared to units without sound blankets for years of quiet comfort.
- ✓ **Heavy-Gauge Galvanized Steel Enclosure with Sound-Control Top** – With advanced fan design, it provides dependable, quiet airflow across the condensing coil.

## EXTENDED SERVICE PLANS AVAILABLE

For even greater peace of mind, ask your dealer or visit our website at [www.amana-hac.com](http://www.amana-hac.com) for more details about **Asure**™, an affordable Parts and/or Labor Extended Service Plan for your entire **Amana** brand HVAC system.

## A legacy of comfort

The impeccable reputation of an American original

**Amana** brand heating and cooling systems are a part of the enduring legacy of one of America's most recognized and respected brands. Originating eight decades ago in Amana, Iowa, the brand is synonymous with long-lasting, premium quality products — from home appliances to heating and air conditioning equipment. Chances are, you and generations before you have enjoyed the dependable performance and longevity the **Amana** brand continues to deliver.

Ask your dealer for full details.
