# ENERGY-EFFICIENT HEAT PUMP

ASZ14 | Up to 15 SEER | 8.2 HSPF

## Distinguishing features:

### Energy Efficiency

SEER or Seasonal Energy Efficiency Rating is a measure designated by the U.S. Department of Energy and gives you a good idea of the performance you can expect from heat pumps. At a 15-SEER cooling rating, the **Amana**® brand ASZ14 Heat Pump can deliver an 8.2 HSPF (Heating Seasonal Performance Factor). When you choose an energy efficient **Amana** brand heat pump, year-round indoor comfort is combined with year-round savings compared to lower SEER-rated heat pumps.

### Copeland ComfortAlert™ Diagnostics Module

Engineered into all premium **Amana** brand units, **ComfortAlert™** enables the performance of your heat pump to be remotely monitored by your HVAC contractor. Proactively detecting operation deficiencies and potential systems issues not only helps ensure uninterrupted comfort; it prevents minor service requirements from becoming major repairs.

### Quiet Performance

You can be assured that your **Amana** brand heat pump will provide you with quiet operation. To minimize operating sounds, we've acoustically engineered our systems with enhancements such as a specially designed sound-control top.

## A reputation that's as comforting as our products

While the energy-efficient performance and reliability of an **Amana** brand ASZ14 Heat Pump will validate your purchase decision with dependable indoor comfort for years to come, it's the venerable **Amana** brand name that lets you be confident today. Buying the **Amana** brand means you can be certain you made the right decision.

### *SEER-ious savings—higher energy efficiency, lower operating costs*

Get both better performance and lower energy bills compared to lower SEER heat pumps with a properly matched and installed **Amana** brand ASZ14 Heat Pump.

### *Quietly pumping out years and years of continuous comfort*

At the heart of the **Amana** brand ASZ14 Heat Pump's dependable performance is its energy-efficient compressor. Its durability and reliability are further enhanced by the use of chlorine-free R-410A refrigerant. Plus, an acoustically engineered, high-density foam sound-reduction cover mutes the compressor's operation to the point of comforting silence.

### *The security of the **Amana** brand's amazing limited warranty\**

To truly seal the deal, an **Amana** brand ASZ14 Heat Pump is backed by an industry-leading limited warranty\*. In fact, all **Amana** brand heat pumps feature a 10-Year Parts Limited Warranty\*. The longevity of premium **Amana** brand products combined with this excellent warranty\* coverage offers you a level of purchase protection that's the stuff of legend.

## LIMITED WARRANTY\* PROTECTION

\* Complete warranty details available from your local dealer or at [www.amana-hac.com](http://www.amana-hac.com). To receive the 10-Year Parts Limited Warranty, online registration must be completed within 60 days of installation. Online registration is not required in California or Quebec.

## The **Amana**<sup>®</sup> brand ASZ14 Energy-Efficient Heat Pump advantages:

- ✔ **Quiet Condenser Fan Motor** – High-efficiency, single-speed motor with special three-blade fan design provides dependable, quiet airflow across condensing coil.
- ✔ **Efficient Cooling Capacity** – Refrigeration-grade premium copper tubing and aluminum fin condenser coil configuration deliver outstanding heat transfer properties with R-410A refrigerant.
- ✔ **SmartShift™ Technology** – Time-delay defrost technology allows for a reliable, quiet and smooth transition when units enter defrost mode.
- ✔ **Quiet Operation** – Acoustically engineered, high-density sound control blanket helps to reduce noise levels compared to units without sound blankets for years of quiet comfort.
- ✔ **Factory-Installed Heater Band and Suction Line Accumulator** – Ensures refrigerant is ready even in extreme external temperatures.
- ✔ **Factory-Installed Inline Filter Drier** – Protects the refrigerant system from dirt and moisture for longer service life compared to units without filter driers.

## A legacy of comfort

The impeccable reputation of an American original

**Amana** brand heating and cooling systems are a part of the enduring legacy of one of America's most recognized and respected brands. Originating eight decades ago in **Amana**, Iowa, the brand is synonymous with long-lasting, premium quality products — from home appliances to heating and air conditioning equipment. Chances are, you and generations before you have enjoyed the dependable performance and longevity the **Amana** brand continues to deliver.

Proper sizing and installation of equipment is critical to achieve optimal performance. Split system air conditioners and heat pumps must be matched with appropriate coil components to meet **ENERGY STAR**<sup>®</sup> criteria. Ask your contractor for details or visit [www.energystar.gov](http://www.energystar.gov).

ComfortBridge™  
 technology

**HVAC Communicating Control**

ComfortBridge technology offers off-the-wall smart communicating systems capable of customizing energy-efficient performance, use of any single-stage thermostat, and more.
