

In-demand connectivity meets intuitive operation

Your customers want comfort, convenience and connectivity. With the Wi-Fi VisionPRO 8000, you can offer them all three. Using an existing Wi-Fi network plus Honeywell's free Total Connect Comfort services, the Wi-Fi VisionPRO 8000 allows homeowners to remotely control their comfort settings and manage their energy costs – with ease.

Go green. Save some green.

Honeywell Wi-Fi programmable thermostats may be eligible for money-saving energy rebates in the U.S. and Canada – giving your customers even more reasons to go wireless.

EASY, PLAIN LANGUAGE SETUP, NO MANUAL NEEDED

Single-screen scheduling process is faster for you and easier for your customer.

REMOTE COMFORT CONTROL VIA COMPUTER, TABLET OR SMARTPHONE

Your customers can easily monitor and manage home comfort from any device, anywhere with Honeywell's Total Connect Comfort app.

COMPATIBLE WITH MANY SYSTEM TYPES

Residential or commercial, the Wi-Fi VisionPRO® 8000 works on systems up to 3H/2C heat pump and 2H/2C conventional – including dual fuel.

RELAY FOR IAQ CONTROL

Indoor humidification, dehumidification or ventilation control without requiring an outdoor air sensor.

EQUIPMENT CHECK/CHANGE REMINDERS

Lets homeowners know when it's time to change the filter, humidifier pad and UV bulb – which could generate recurring business opportunities.

BUILT-IN VENTILATION CONTROLLER

Lockouts for temperature and humidity prevent pulling in hot or humid air. No extra ventilation controller or remote sensor needed.

Comfort control anytime, anywhere

With Honeywell's Total Connect Comfort services, your customers can:

- View and change their HVAC system settings
- Get temperature alerts via email or free app
- Access multiple locations if more than one system is connected
