AMANA®
HEATING & AIR CONDITIONING

RELAX. IT'S AN AMANA BRAND.

R-32 MODELS

Coils

Having a high-efficiency evaporator coil is a prime way to get the highest level of comfort from your central air conditioning or heat pump system. Amana Brand offers a range of all-aluminum evaporator coils that are known for their durability and efficient performance. Built using aluminum tubing, fins, and end plates to provide reliable, time-tested heat transfer properties, Amana Brand coils help improve the overall performance of the air conditioning or heating system. Amana Brand coils offer a single metal solution aimed at enhancing the longevity and effectiveness of Amana brand systems.
