Heating & Air Conditioning
Amana®

RELAX. IT'S AN **AMANA** BRAND.

R-32 MODELS

Split System Heat Pumps

Enjoy year-round indoor comfort with Amana brand heat pumps. These units provide both cooling and heating comfort from a single system. High-efficiency heat pumps can lower the cost of keeping a home completely comfortable all year compared to lower SEER2/HSPF2 units. The Amana brand offers a full line of heat pump systems, so you are certain to find the perfect system to fit any budget. For the greatest energy-efficiency savings, select a heat pump system with the highest SEER2 and HSPF2 ratings.

* Complete warranty details available from your local dealer or at www.amana-hac.com. To receive the Lifetime Unit Replacement Limited Warranty (good for as long as you own your home) and 10-Year Parts Limited Warranty, online registration must be completed within 60 days of installation. Online registration is not required in Florida, California, or Quebec. The duration of warranty coverages in Florida and Texas differs in some cases.

‡ Supplied with filter drier loose and requires field installation by contractor.

** Proper sizing and installation of equipment is critical to achieve optimal performance. Split system air conditioners and heat pumps must be matched with appropriate coil components to meet **ENERGY STAR**® criteria. Ask your contractor for details or visit www.energystar.gov. Products that are recognized as the Most Efficient of **ENERGY STAR** in 2025 prevent greenhouse gas emissions by meeting rigorous energy efficiency performance levels set by the U.S. Environmental Protection Agency.

1 The **ENERGY STAR** Most Efficient 2025 recognition applies only to systems with the Daikin One+ smart thermostat

2 Products that are recognized as the Most Efficient of **ENERGY STAR** in 2025 prevent greenhouse gas emissions by meeting rigorous energy efficiency performance levels set by the U.S. Environmental Protection Agency. Select combinations are recognized as the Most Efficient of **ENERGY STAR** in 2025. Visit the following website for more information: www.energystar.gov/products/most_efficient.

† *ComfortBridge*™ compatible on furnace and MBVC match-ups *ComfortNet*™ compatible on AMVE Air Handler match- ups

Additional information

R32

Before purchasing this appliance, read important information about its estimated annual energy consumption, yearly operating cost, or energy efficiency rating that is available from your retailer.

WARNINGS:

It is recommended to use best practices and always adhere to safety protocols before, during, and when working with any refrigerants.

DO NOT MIX REFRIGERANTS

- Per current US EPA SNAP approvals, A2L refrigerants can only be used in new equipment and CANNOT be used to retrofit a different refrigerant into an existing system. Always use the same refrigerant marked on the nameplate.
- Codes are rapidly changing and allowing A2L refrigerants throughout North America. Check with your local Daikin Comfort Technologies Distributor for latest product availability information.
