MERV 13 Adaptor Kit Model
DACA-FQP13-1K

DESCRIPTION

MERV 13 filter with metal mounting kit. Includes DACA-FQP13-1B filter.

FEATURES

- Synthetic, electrostatically charged media has a high initial efficiency and is particularly effective in capturing finer particulate
- The media pack is bonded to a unitized, die-cut box frame at all points of contact, preventing dirty air bypass and promoting even airflow
- Heavy duty filter with expanding metal support grid to increase rigidity and help maintain proper pleat spacing
- Ensures maximum efficiency, low resistance and maximizes dust holding capacity with no racking or vibration of the pleats under normal airflow
